48th Alabama Statewide Organization Workshop

Sickle Cell Awareness

www.alabamaques.org

October 18-20, 2024

The Alabama Statewide Organization, 7th District, Omega Psi Phi Fraternity Incorporated, proudly announces our Sickle Cell Awareness Project, a Fraternity and community initiative.

The Alabama Statewide Organization is inviting the Alabama chapters to participate in educating and advocating for people affected by Sickle Cell. This donation will bring attention to a critical health issue that affects countless individuals in our community and beyond—sickle cell disease (SCD). This genetic disorder impacts the shape and function of red blood cells, leading to severe pain, organ damage, and life-threatening complications.

SCD predominantly affects African American and Hispanic populations, with one in 13 African American babies born with the sickle cell trait and one in 365 diagnosed with the disease. Despite advancements in medical research, those living with SCD still face significant health challenges and disparities in care. Your generous donations can make a profound impact in several ways:

Support Medical Research: Your contributions can fund groundbreaking research aimed at finding a cure and improving treatments for those living with SCD.

Enhance Patient Care: Donations help provide comprehensive care, including pain management, blood transfusions, and other vital treatments.

Raise Awareness and Education: by supporting educational programs, you can help increase awareness about SCD, encouraging early diagnosis and better management of the disease.

We believe that with your support, we can bring hope and relief to those affected by sickle cell disease. Every dollar donated brings us one step closer to a world where SCD no longer poses a threat to anyone's life. Thank you for considering this important cause. Together, we can make a difference and save lives.

In October, Graduate and Undergraduate Chapters of the Fraternity throughout the Great State of Alabama will convene in Tuscaloosa, AL. for their 2024 Annual State Meeting. As an integral part of this meeting, the Fraternity is conducting a community social action project by donating all raised funds to the Sickle Cell Association of West Alabama that will help raise awareness for this terrible disease.

Each Graduate Chapter is asked to give \$100.00 and each Undergraduate Chapter is asked to give \$50.00.

We are encouraging all the Chapters in the State of Alabama to give as much monetarily as you possibly can. History shows that with our past Omega Psi Phi Fraternity, Inc., Alabama Statewide Organization meetings, we have made a difference in the hosting city, and we are confident that we will continue to build on our success.

On behalf of the Alabama State Representative, Brother Barrington Dames, and the State Council, Alpha Tau Chapter Basileus, Brother Stanley Shambley, and the Executive Council, and the members of the Alpha Tau, Rho Gamma, Beta Eta, and Alpha Delta Iota Chapters of Omega Psi Phi Fraternity, Inc., we would like to thank the Chapters throughout the State of Alabama, as well as the community for assisting us in our campaign to put a smile on the faces of thousands of people in the Tuscaloosa, AL!

Fraternally,
