Greetings Brothers of the Alabama Statewide Organization,

I want to first and foremost thank you for entrusting and re-electing me as your 42nd Grand Basileus of our beloved Fraternity. The mantra of men of strong will and Manhood, Scholarship, Perseverance and Uplift continue to define us and serve as our guideposts as we uphold the precepts of our founders! We thank Brother Barrington Dames for his steadfast leadership.

Congratulations to Alpha Delta Iota, Beta Eta and Rho Gamma chapters and the entire Alabama Statewide Organization brotherhood. We thank you for your 48 years of continued commitment to the tenants of our beloved Founders of service to our communities.

When I sought to become the 42nd Grand Basileus, I said to you that “**Excellence Is My Starting Point.**” I said that integrity and character are paramount. We are keeping that commitment.

In our communities world-wide, we have our mandated programs and we have our recently added programs. We actively do these things – Fatherhood Initiative and Mentoring is now a mandate, searching for and Illuminating Young talent and providing scholarship support – and we do these things not for ego or personal gain – but instead because it is our duty and our charge. Science, Technology, Engineering and Mathematics (STEM) is now a mandate, teaching our young men the importance of embracing technology.

During my administration, we are here to serve you and our communities. We are asking you to serve our communities and make a difference. We shall not lose the common touch!

Number 1. Save Our Sons through mentoring, STEM, scholarship offerings and tutoring.

Number 2. Help fathers to be better fathers through our Fatherhood Initiative.

Number 3. Stay engaged with our brotherhood through (BYOMM): Call a brother.

Number 4. Save our HBCUs through regular and consistent contributions.

Number 5. Invest in Omega; pay your fraternity dues and reclaim just one additional brother.

If we resolve to do these five things and do them well, we will continue to see the undeniable fulfillment in our communities.

Yours in Friendship,

Ricky L. Lewis, Grand Basileus

Bro. Michael A. Lavender
State Marshal
Alabama Statewide Organization

My Friends and My Brothers,

I greet you in the Name of the Supreme Basileus of the Universe; I pray that your travels to Tuscaloosa/T-Town has been one filled with great expectations of having an exceptional 48th Alabama Statewide Meeting, as well as renewing our commitment to “Omega Dear”. It’s been well over a decade since we have convened in “T-Town” and our intentions of providing you with the greatest hospitality in the State of Alabama and Omega Psi Phi has not diminished one semitone. We have planned for your arrival, preparations have been made for your comfort and convenience and we have been eager to serve as your host during this great meeting of “Omega Men”.

As your 48th State Marshal, I’m honored and humbled to serve; I extend my deepest gratitude to the Brothers of Alpha Tau, Beta Eta, Rho Gamma and Alpha Delta Iota who have planned and worked diligently to prepare for your arrivals and we welcome the opportunity to serve you, our friends and brothers. The local Brothers can be identified by the chapter vest, they are poised and ready to serve by providing assistance and directions to help move you between venues (Hotel Capstone & The Bryant Conference Center) during the meeting.

As we move closer to this historic election, let us remember; as we act well our parts to encourage everyone to get out and vote, as we continue to build bridges, as we have for the past 113 years for what our founders established in 1911. God bless you, our families and the communities that we serve, the Alabama Statewide Organization and this our great fraternity, “The Omega Psi Phi Fraternity, Inc.”

Fraternally Yours’

On behalf of the citizens of Tuscaloosa, it is with great pleasure that I welcome the 48th annual Omega Psi Phi Fraternity, Inc. Statewide Organizational Workshop. We are proud of our city and grateful for the opportunity to share it with you.

Tuscaloosa was born beside the Black Warrior River nearly 200 years ago; however, this city has a spirit of growth that continually energizes the transformations taking place across the Tuscaloosa community. Downtown has seen a public/private investment of over \$100 million, which has created an environment where one can live, work and play.

While Tuscaloosa is famous for its gridiron action, the city is also home to the original Dreamland Barbeque and a multitude of historic homes, museums and parks. You can take a stroll along the River Walk, shop at our River Market and visit downtown for a variety of restaurants and exciting nightlife.

Our riverfront has experienced its own renewal, with the addition of new recreational trails, businesses and restaurants. In 2011, the city opened an 8,000-seat riverfront amphitheater, which is a state-of-the-art venue hosting major performances and countless community events such as the symphony, theater, concerts and choral music shows.

Again, we are excited that you are here and we welcome you to Tuscaloosa!

Sincerely,

A handwritten signature in black ink that reads 'Walter Maddox'.

*Behold, how good and how pleasant it is for brethren to dwell together in unity!
It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard: that went down to the skirts of his garments; As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there the Lord commanded the blessing, even life for evermore.*
